

## RONDEO Automatic Foam Soap Dispenser

Reference: **RES-37M**

### Description

Wall mounted electronic foam soap dispenser for washbasins.

Touch free, helps to protect users against cross contamination.

Minimalistic, elegant, and modern design.

Heavy-duty brass body allows installation in high traffic areas.

Maximized savings: accurate soap dosage, closes automatically without dripping.

Soap and air dosage to increase foaming effect, adjustable by remote control.

Peristaltic pump: no direct contact between the pump mechanism and the soap, preventing clogging, backflow, and contamination.

Quick and simple installation. Designed with easy access for refilling.

Perfect combination with the wall mounted electronic faucet to enhance hygiene, user pleasure, and the image of you washrooms.

### Features

Operated by infrared sensor.

Powered by 230/12V transformer.
