Ref. LA-600

Ref. LA-2400

Description

TURONE white wall-mounted washbasin in composite material with backsplash, designed for mirror unit or integrated wall-mounted faucet.

A wide basin, no rear deck, and narrow 45 mm side ledges minimize surfaces exposed to water splashes.

Basin interior with no radius or curve smaller than 6 mm ensures optimal drainage and easy cleaning.

Seamless one-piece construction offers a combination of lightness, strength, and durability, with a clean, functional design ideal for public washrooms.

PRM access.

Features

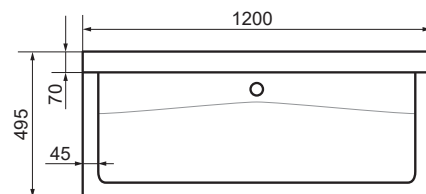

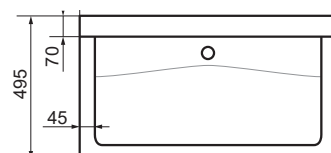

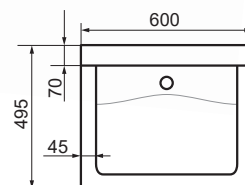

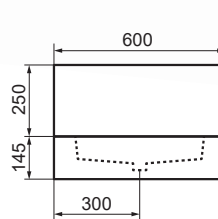

Made of sanitary-grade gel coat, white finish.

Resin with mineral filler content (>50%) and fiberglass.

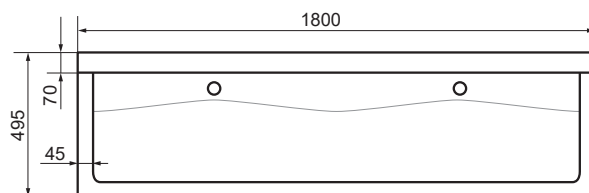

1 1/4" waste outlet (1 to 3 outlets depending on dimensions).

Wall-mounted installation with included brackets.

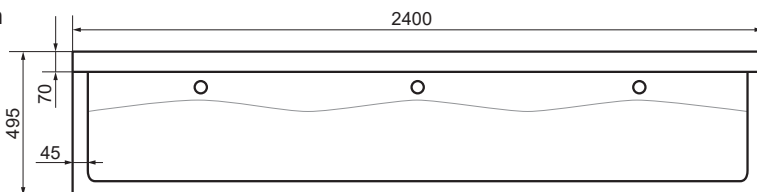

Dimensions: L600 / 900 / 1200 / 1800 / 2400 x D495 x H345 mm (H145 + Backsplash D70 x H250 mm)
