SUPRATECH

Wall-mounted foldable stainless steel changing table

Reference : **BO-311**

Description

Professional vertical wall-mounted foldable baby changing table, for communal use, with unmatched manufacturing quality and exclusive features.

Front and back in satin-finished AISI 304 stainless steel, stamped from a single piece, eliminating joints, sharp edges, and weld lines, with an integrated frame enhanced for better bed stability.

Microban® antimicrobial protection, a disposable sheet dispenser, and a convenient bag hook for easy access to the diaper bag optimize the user experience.

Elegant design fitting any modern decor.

PRM access.

Easy installation, minimal space requirement and simplified maintenance.

Features

Designed for children up to 12 months and 11 kg.

Front and back panels in AISI 304 stainless steel with satin finish.

Aluminium handles with satin stainless steel finish.

Monobloc steel frame able to support a weight of up to 91 kg when opened at 90° without deformation.

All-steel hinge offering greater wear resistance and optimized lifespan.

Gas struts ensuring smooth closing and opening.

Molded polypropylene bed with Microban® antimicrobial additive reducing bacteria that cause bad odors between cleanings. Its lower tray with very high edges guarantees maximum safety.

Double integrated paper diaper sheet dispenser with lock to reduce consumption and prevent vandalism.

Wall-mounted stainless steel bag holder for easy access to diaper bag items.

Compliant with EN 12221/1 and 2 standards.

Compliant with PMR standards with proper installation.

Dimensions: W727x D172 (834 mm open) x H1111 mm.

Weight 34,5 kg.

5-year warranty.
