References: **LVA-600-D / LVA-1200-D / LVA-1800-D**

Ref. LVA-600-D

Ref. LVA-1200-D

Description

RIVAGE wall-mounted white Solid Surface washbasin with hidden drainage system and backsplash for mirror units or integrated wall-mounted faucets.

Hygiene: all rounded internal corners and a fully accessible drain channel for easy, thorough cleaning.

Resistance: very strong material, resistant to impact, scratches and wear.

Modern, sleek and functional design.

PRM access.

Solid Surface washbasins are particularly well-suited for high-traffic public washrooms and high-end spaces.

Features

Solid Surface wall-mounted vanity top with washbasin and no visible joints, smooth non-porous surface, matte white finish.

Sloped basin to prevent water from collecting and ensure complete drainage.

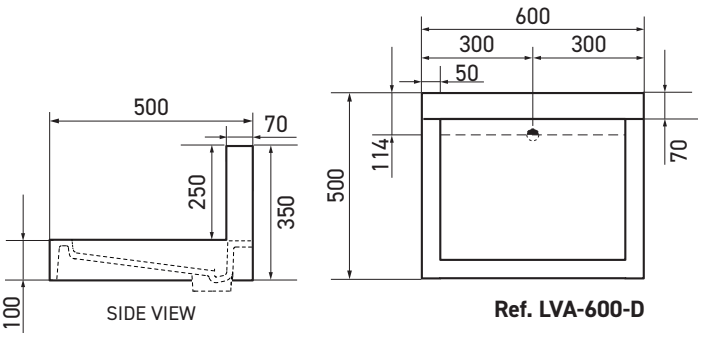

Gently rounded internal corners for easy maintenance and increased durability.

Wall-mounted basin support with trap cover or brackets (optional).

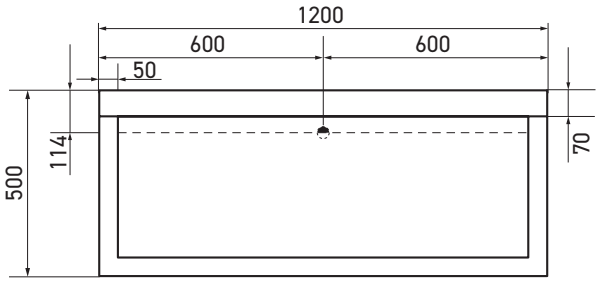

1 1/4" concealed drainage.

Dim. W600 / 1200 / 1800 x D500 x H350 mm

CE. 5 year warranty.
