

Stainless steel paper towel dispenser, behind mirror, bottom opening for refilling

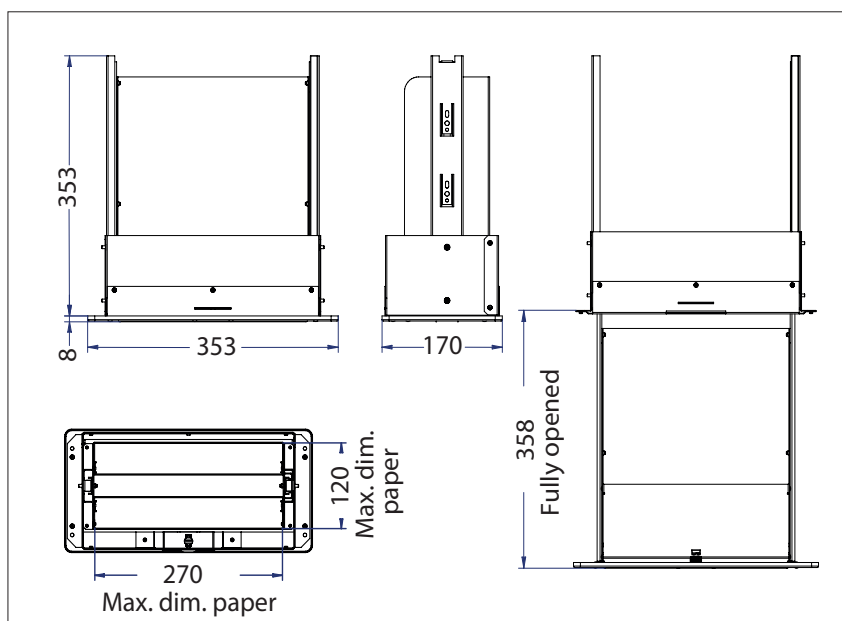

Reference: **AS-097**

PRE-INSTALLATION

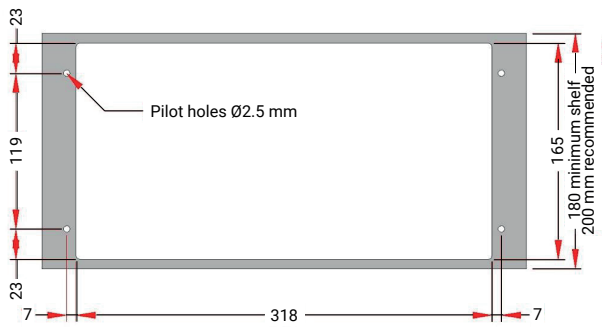

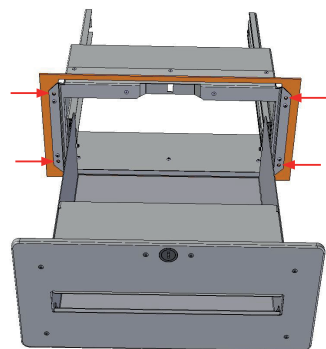

Read these instructions carefully before installation and retain for future reference.
Remove all packaging and check the contents for damage before beginning installation.
Made of stainless steel with internal components made of different materials.
Key-operated lock.

DIMENSIONS

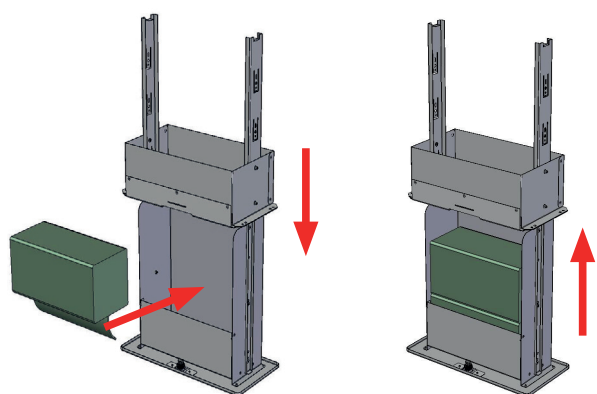

INSTALLATION

STEP 1 - SETTING UP THE PAPER DISPENSER

1	Follow the recommended dimensions to prepare the opening in the base of the cabinet or shelf, then drill 4 pilot holes as shown.	
2	Position the dispenser from below. Open the dispenser with the key to access the mounting frame. Secure with 4 screws (not included).	

STEP 2 - FILLING THE PAPER DISPENSER

1	Support the base, unlock, and gently open the dispenser. Remove any paper sleeve from the paper towels and place into cavity. Repeat with a second pack. Close the dispenser by carefully pushing up the base until it locks into position.

MAINTENANCE

The dispenser should not be cleaned with a direct stream of water.

No special tools or accessories are required for the maintenance of this dispenser.

Wipe the stainless steel surfaces with a soft, clean cloth that is slightly damp, then dry with a soft, dry cloth.

Do not use soap, chemical detergents, bleach, or abrasive products.

ATTENTION : When decommissioning your device, contact your local waste disposal service to find the nearest drop-off site. Most components can be recycled according to the sorting rules in your area. Do not dispose of with household waste.

LIMITED WARRANTY

This recessed behind-the-mirror paper dispenser comes with a 10-year guarantee starting from the date of purchase.

If a defect is found during this period under normal use, you are entitled, at SUPRATECH's discretion, to either a replacement or repair of the defective parts due to material or manufacturing faults.

In no case shall SUPRATECH's liability exceed the purchase price of the product. This warranty does not apply to failures caused by improper installation and maintenance, normal wear and tear, or degradation.

Failure to follow the safety precautions and/or installation recommendations outlined in this installation guide will void the warranty.

For any warranty claims, contact your installer, retailer, or SUPRATECH.

Make sure to provide all relevant information for your claim: a complete description of the malfunction, product reference and serial number, proof of purchase, and installation date.
