

Convertible recessed stainless steel unit with paper towel dispenser and waste bin

Reference: **BO-3940**

Description

Convertible recessed stainless steel combination unit with a paper towel dispenser and a waste bin (interchangeable modules).

The dispenser features a rounded and hemmed opening to dispense paper hand towels without tearing them.

Lockable closure.

Waste bin fixed inside the recessed housing by a key lock and removable for maintenance. Hemmed upper edges for safe handling.

Complete solution with contemporary design, it saves space, facilitates maintenance, and offers an optimal user experience.

Features
