

25L stainless steel floor or wall-mounted bin with tilting lid

Reference: **AS-356**

Removable container
option with metal bag
holder
ref. AS-3C0

Description

Rectangular stainless steel bin, floor-standing or wall-mounted, with a tilting lid, with brushed finish.

Opening/closing thanks to a counterweight = no mechanism, no risk of wear.

Removable lid for emptying, lockable closure.

Rounded front corners for an elegant design.

Versatile, suitable for high-end sanitary spaces as well as very busy public places, offering high resistance to intensive use and vandalism.

Features

AISI 304 stainless steel with brushed finish, 1 mm thickness.

Lid thickness 1.5 mm, invisible hinge.

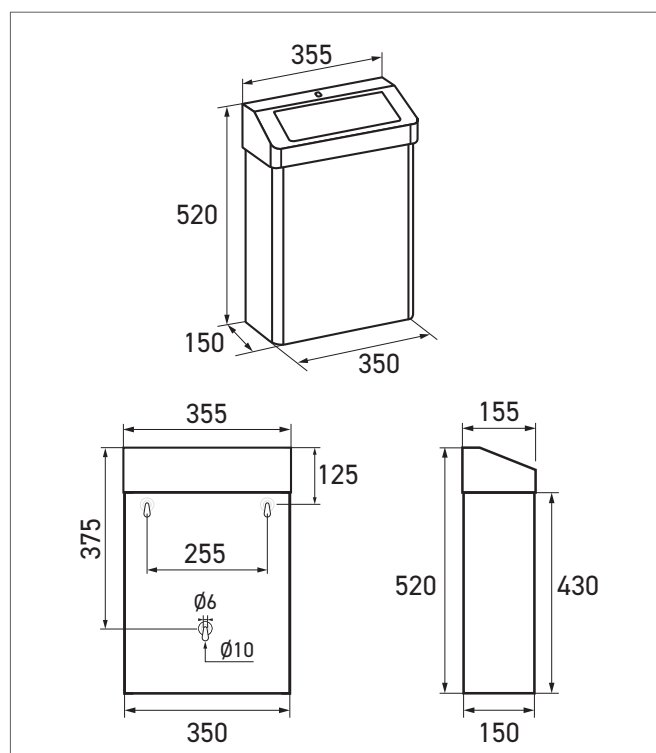

Capacity 25 L.

Fixings included, 3 points with bossing.

Dimensions: W355 x D155 x H520 mm.

Weight 6.05 kg.

10-year warranty.
