

Stainless steel hand towel dispenser

Reference: **BO-359039**

Description

Wall-mounted stainless steel paper towel dispenser, with flush lock and a rounded, hemmed opening to dispense paper towels without tearing them.

Equipped with DISTRITOP with a 90° guiding angle inside the dispenser to prevent paper towels from falling forward when the door is opened for service, and a nylon rod in the center to dispense towels one by one.

With its contemporary design, it frees up space and simplifies maintenance.

Features

AISI 304 stainless steel brushed finish.

1.2 mm thick door with 90° return for maximum rigidity, concealed piano hinge along the entire height and key lock.

Retention cable for wall protection.

Capacity 300 to 400 hand towels depending on size.

DISTRITOP included: accessory for continuous single-sheet dispensing, reducing paper consumption by at least 20%, eliminating jamming and multiple sheet pulls.
