

Double recessed stainless steel toilet paper roll holder

Reference: **BO-3888**

Description

Recessed stainless steel dispenser with double toilet paper rolls, for minimal space requirement and high durability.

The additional roll is automatically put in place when the lower roll is finished. Finished rolls can only be removed after unlocking the door.

Vandal-proof: the 2 robust ABS spindles are locked inside the dispenser when the door is closed.

Features

AISI 304 stainless steel quality, 0.8 mm thickness, brushed finish.

One-piece stamped frame, with no visible joints.

Recessed housing of fully welded construction.

One-piece stamped door fixed by a 2-rivet hinge, equipped with a key lock. Door frame thickness 1.2 mm. Dispensing mechanism, inner housing and stainless steel cam 1.2 mm thick.

(2) one-piece molded ABS spindles, very robust.

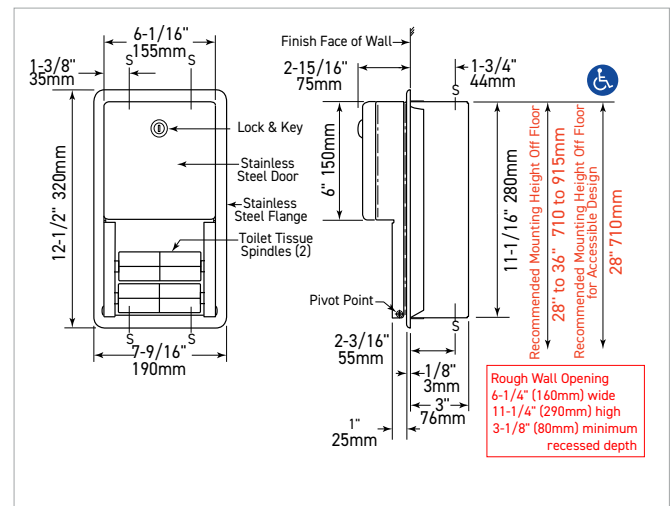

Thefts resistant, retained in the dispensing mechanism when the door is locked.

Dispenses 2 standard toilet paper rolls max. Ø 133 mm (1800 sheets).

Dimensions: W190 x D151 x H320 mm.

Wall recess: W160 x D80 x H290 mm.

2-year warranty.
