

Recessed convertible stainless steel combination unit paper towel dispenser and 68 L waste receptacle

Reference: **BO-39617**

Description

Large capacity recessed stainless steel combined unit dispenser for non-perforated hand towel roll and waste receptacle (interchangeable modules).

Automatic cutting by pulling a paper towel sheet.

Smooth and silent operation.

Only the used paper is touched for maximum hygiene.

Large waste receptacle fixed inside the recessed housing with a key lock and removable for maintenance.

Rolled upper edges for safe handling.

Hygienic and practical solution with a modern design, it promotes a clean and organized space, facilitates maintenance and offers an optimal user experience.

Features

AISI 304 stainless steel quality, 0.8 mm thickness, brushed finish.

One-piece stamped beveled frame, with no visible joints.

Fully welded recessed housing.
