

Wall-mounted convertible stainless steel combination paper towel dispenser and 45 L waste receptacle

Reference: **BO-39619**

Description

Large capacity wall-mounted stainless steel combined unit dispenser for non-perforated paper towel roll and waste receptacle (interchangeable modules).

Automatic cutting by pulling a paper towel sheet.

Smooth and silent operation.

Only the used paper is touched for maximum hygiene.

Large waste receptacle fixed inside the recessed housing by a key lock and removable for maintenance.

Rolled upper edges for safe handling.

Hygienic and practical solution with a modern design, it promotes a clean and organized space, facilitates maintenance, and offers an optimal user experience.

Features

AISI 304 stainless steel quality, 0.8 mm thickness, brushed finish.

One-piece stamped beveled frame, with no visible joints.

Fully welded recessed housing.
