

NOVA recessed stainless steel combination unit paper towel dispenser and waste receptacle

Reference: **B0-4369**

Description

The NOVA recessed wall-mounted stainless steel combination unit, consisting of a paper towel dispenser and a waste receptacle, optimises space and simplifies the layout of sanitary areas.

Premium design with curved stainless steel front panel, flush lock.

High durability for high-traffic areas.

The dispenser features a rounded and hemmed opening to dispense paper towels without tearing them.

DISTRITOP accessory included: continuous single-sheet dispensing, reducing paper consumption by at least 20%, eliminating jams and multiple sheet pulls at once. A guide with return prevents towels from falling when the door is opened.

Integrated waste bin for discreet and efficient waste management, while contributing to a clean and organized environment. Removable front panel, with rounded upper edge for safe handling.

RAPIDCOLLECT accessory included: out-of-sight bag holder to facilitate installation and removal of trash bags.

*DISTRITOP
included*

*RAPIDCOLLECT
included*
