

NOVA stainless steel wall-mounted combination unit paper towel dispenser and 57 L waste receptacle

Reference: BO-43949

Description

The large capacity NOVA wall-mounted stainless steel unit, consisting of a paper towel dispenser and a waste receptacle, optimises hygiene, waste management, and simplifies the layout of sanitary spaces.

Premium design with curved stainless steel front panel, flush lock.

Highly durable for high-traffic areas.

The dispenser features a rounded and hemmed opening to dispense paper towels without tearing them.

DISTRITOP accessory included: continuous single-sheet dispensing, reducing paper consumption by at least 20%, eliminating jams and multiple sheet pulls. A guide with return prevents towels from falling when the door is opened.

Integrated waste bin for discreet and efficient waste management, while contributing to a clean and orderly environment. Removable front panel, with hemmed upper edge for safe handling.

RAPIDCOLLECT accessory included: hidden bag holder that facilitates installation and removal of garbage bags.
