

Long version stainless steel hinged grab bar for PRM

References: **IB-006-S85 / IB-006-B85**

IB-006-S85

Description

Stainless steel lift-up grab bar in U shape for PRM, designed to be used in toilet or shower.

Usable in the horizontal position as a support bar, armrest, and aid for transfers.

In the lift-up position, it frees up lateral space.

Equipped with a braking system for controlled, shock-absorbing descent of the bar.

Features

AISI 304 stainless steel quality, brushed or polished finish, 1,2 mm thickness, stainless steel front panel support with concealed fixings.

Ergonomic and comfortable tube Ø 32 mm, non-slip brushed or polished finishes.

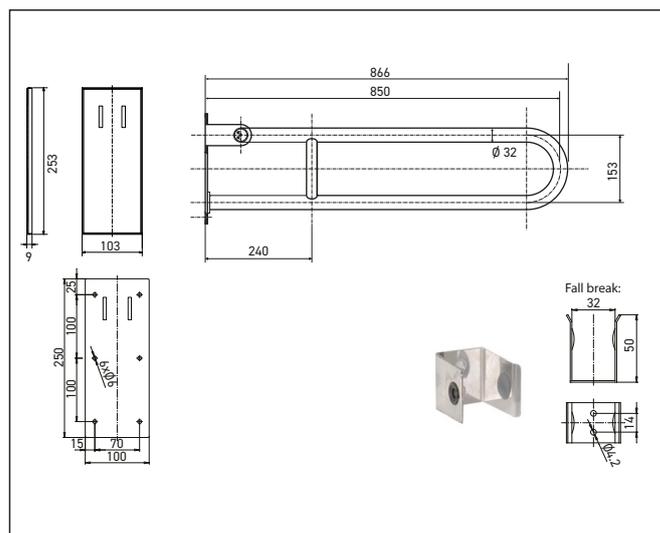

Load supported: 120 kg.

Fixings included.

Dimensions: L 866 x W 100 x H 250 mm

CE compliant.

6-year warranty.
