

RONDEO wall-mounted matte black hand dryer

References: **SM-20-N / SM-23-N**

Description

Wall-mounted touch-free high-speed hand dryer in matte black finish, with a minimalist and reliable design for intensive use.

Users can dry their hands right after washing, with all the water directed into the basin, simplifying the cleaning process.

Thanks to the concealed motor, only the spout is visible on the wall, saving space in the washroom.

HEPA filter for enhanced hygiene.

Combined in a trio with the wall-mounted faucet and soap dispenser, this all-in-one set improves hygiene and makes hand washing and drying more convenient.
